

National Youth Involvement Month Cram Sheet

Didn't have time to plan anything for National Youth Involvement Month? Have no fear! Here are five ways you can show your involvement with little to no preparation!

1. Donate blood

This is the easiest! Just contact your local chapter to see where your local blood drive is and have you or a friend donate. Schedule an appointment now at <http://www.redcrossblood.org/>.

2. 10 days of giving

From November 21st to Tuesday, December 1st, post on instagram, twitter, vine or facebook why YOU love the Red Cross. Don't forget to use the hashtag #givewithmeaning, the national social media team might repost you!

3. Bake for Humanity

Who doesn't love to bake? Organize a [bake sale](#) in front of your school or cafeteria! Attach little facts about the red cross to each item and donate the money made to your local Red Cross Chapter!

4. Take a CPR class

Being CPR certified is never out of style. Contact your chapter to see where you can take a class, and encourage your friends to get certified as well! Make sure you also spread information on how important it is to be certified, and what a large impact it can make. Go to <http://www.redcross.org/take-a-class/> for more information.

5. Fire Safety canvassing

Distribute life saving information to your neighbors and local businesses. Just get a group of club members or friends travel door to door to communicate the importance of being safe in case of a fire. Talk to your local chapter to get the necessary materials and information about [Fire Safety Canvassing](#)!

Post your pictures on Facebook with #NYIM and #SPIF!
